

The Publications Office of the European Union is looking for language editors to join its English and Irish language teams in Luxembourg. We are offering a Temporary Agent contract at grade AST 3, provided that the provisions of the Staff Regulations are met. The candidate must have a degree in a related field or 3 years of relevant experience.

If you are a native speaker with experience of copy-editing, proofreading or other language-correction work then do not hesitate to apply!

Excellent knowledge of English or Irish grammar, syntax and spelling is required, as is the ability to learn and apply the rules of the EU's Interinstitutional Style Guide.

You will work as part of a specialised team, copy-editing manuscripts (generally using Word and other MS Office applications), correcting PDF proofs and performing validation tasks in various electronic formats.

We would love to hear about how your interests and experience could be a fit for us. We value an inclusive workplace and understand that flexibility means different things to different people.

Please contact laimute.prat-sadauskaite@publications.europa.eu or liga.ledina@publications.europa.eu for more details if you would like the opportunity to join our team.
